

SPACE SOLAR

SPACE SOLAR CHARTER

Our Mission:

Space Solar is developing and commercialising space-based solar power, the ultimate clean energy generation technology, harnessing the abundant solar resources in space to provide continuous, reliable and affordable energy.

Our Vision:

We are helping to deliver a safe and secure world, where clean energy is available to all, and natural resources are conserved.

We are building the space capabilities to benefit humanity and life on earth.

BEHAVIOURS

Excellence: Space Solar strives to deliver excellence by pushing the frontiers of what's been done before, learning quickly and iteratively, empowering and drawing on the entire team's strengths, innovative ideas and knowledge to deliver success.

Innovation: Being brave and bold to explore new ideas and do things differently. Be agile and problem solve to identify better, more efficient ways of achieving Space Solar's business and programme objectives.

Inclusion; Valuing the entire team's strengths, expertise, knowledge, ideas irrespective of their seniority, ethnicity, gender or background. Understanding that getting different views and perspectives from a diverse team is important to achieving balanced and innovative thinking.

Commitment: Delivering on what we say we will do at pace. Empowered to be independent thinkers, take action and adapt to evolving situations.

Collaboration; Working together inclusively, to go above and beyond and deliver our goals. Working at pace whilst looking after each other and working as a collective team to overcome challenges and resolve issues.

PRINCIPLES

Urgency: Energy Security and Net Zero are urgent challenges, and we will work at pace to establish an initial operational system by 2031.

Value: We will generate value for our shareholders, investors and partners along the development journey.

Social responsibility: We aim to create a more sustainable way of life, bringing societal benefit and sound environmental practice.

Diversity: Different perspectives deliver better results. We treat all people equally considering only character and competence.

Inclusion: We are stronger together, and will look to bring others into relevant opportunities.
